Please inform us where you would like the engraving to go:

- At the top (if a logo isn't in the way) At the center underneath the logo (if one exist)
- In front of the logo (if one exist) On the other side (the above apply)

Your Message: (please write legibly)

Special Instructions:

Any Specific font? _____

Printing or Script? _____

Upper and lowercase letters? _____

Oxidized or diamond etching? _____

Please carefully check and re-check all personalization information to be submitted. We are *NOT RESPONSIBLE* for any mistakes or misspellings made by our customers. If we make a mistake on your engraving, we will replace your item and you will incur no additional charges.

NOTICE:

Oxidized etching is a laser engraving with a chemical spray that turns the etching a black color and is an additional cost of \$10 to most pieces. Diamond etching provides no black letters, just a normal etching.
